§7-503.

- (a) There is a Voluntary Cleanup Program in the Department.
- (b) The purpose of the Voluntary Cleanup Program is to:
  - (1) Encourage the investigation of eligible properties with known or perceived contamination;
  - (2) Protect public health and the environment where cleanup projects are being performed or need to be performed;
  - (3) Accelerate cleanup of eligible properties; and
  - (4) Provide predictability and finality to the cleanup of eligible properties.
